www.LBushColeJr-INTL.com

This is my incredible life.

Educational Background: Battle Ground Academy, Texas A&M, MTSU, and Nashville State Technical Institute.

I was adopted at 6 months and everything that I have accomplished in my life has been because of my incredible parents that adopted me. My mother, who died in 1994 at 69 years old, was a true Southern Belle. My father, who died 11/3/2015 at 93 years old, was a WWII hero. He flew 50+ missions as a B-24 bombardier, 5 airplane crashes, the Air Force Air Medal, the Air Force Distinguished Flying Cross, and numerous purple hearts. I was brought up by both, to recognize the principles of duty, honor, integrity, and character and that God, country, family and helping others were most important and always placed ahead of business and money. My dad taught me, that character was, doing the right thing even when no one is looking.
